

IT & Software Engineer's CV

# ISHIMWE Jules Pacis

IT, Graphic & Full stack Developer

✉ pacisjules@gmail.com

☎ +250 788 224 590

📍 Gasabo - Kigali / Rwanda

## PERSONAL STATEMENT

I am a seasoned Software Engineer with extensive expertise across all stages of the development lifecycle. With a strong foundation in both design and coding, I specialize in transforming complex client requirements into innovative and user-friendly online applications. My skill set also extends to IT management and graphic design, allowing me to bring a comprehensive approach to every project.

Driven by a passion for excellence, I am committed to advancing my career through continuous learning and hands-on experiences. My professional journey is marked by integrity, dedication, and a deep-seated desire to contribute positively to the community and the organizations I serve.

By leveraging my diverse expertise, I strive to make meaningful contributions to the achievement of organizational goals, ensuring the delivery of high-quality solutions that drive success.

## MAIN SKILLS

Web Development, Desktop, UI UX Design, Full Stack, RestApi, Mobile Development  
Databases, Object Oriented Programming (OOP), Artificial Intelligence systems  
and Motion - Graphic design

## TOOLS AND TECHNOLOGIES

**Programming Languages:** Java, Python, JavaScript, C#, PHP

**Web Technologies:** HTML, CSS, React.js and Node.js

**Databases:** MS SqlServer, MySQL, PostgreSQL, MongoDB, SQLite

**Development Tools:** Github, Docker, Visual Studio, Eclipse

**UI/UX Design Tools:** Adobe XD, Figma, Photoshop, Illustrator

**Mobile Development:** React Native

**REST API:** Swagger, Postman, JSON

**Artificial Intelligence:** TensorFlow, Keras, Scikit-learn (Python Plugins)

**Motion Graphics:** After Effects, Cinema 4D, Premiere Pro and Sonny Vegas

**Cloud Services:** AWS, Google Cloud

# NEXT

## APPLIED SKILLS

**Software Development:** Full stack development, agile methodologies, version control, and continuous integration/continuous deployment (CI/CD).

**System Architecture:** Designing scalable and maintainable system architectures, microservices, and cloud-based solutions.

**Database Management:** Database design, optimization, and management for relational and non-relational databases.

**UI/UX Design:** Creating intuitive and user-friendly interfaces, wireframing, prototyping, and responsive design.

**API Development:** Building and integrating RESTful APIs, API security, and data serialization.

**Mobile Development:** Developing cross-platform mobile applications with a focus on performance and user experience.

**Motion Graphics:** Crafting engaging animations and designing for digital content and multimedia presentations.

**IT Support:** Troubleshooting, network configuration, and system administration.  
**Project Management:** Leading projects, task prioritization, team collaboration, and client communication.

## CERTIFICATIONS:

1. Certified RECOMMENDATION LETTER Umuhuza.rw
2. Secondary school Certification (Diploma)
3. Sql and Databases Bootcamp Certification (Udemy)
4. Python Bootcamp Certification (Udemy)
5. Frontend Development online course Certification (SkillUp)

## EXPERIENCE

\* 7 years

## EDUCATION

- \* Computer Science year 3 of university in UoK will graduate in 2024.
- \* Computer Science Lycee de Nyanza secondary done in 2013.

## **RECOMMENDATION LETTER**

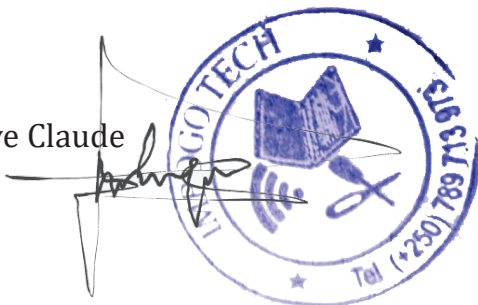

I am writing this reference on of Ishimwe Jules Pacis, who can apply for a position at any company everywhere. Ishimwe Jules Pacis has worked with me 1 year on project of **Umuhuza.rw** where he worked as **Front-end developer** and also **Graphical Designer** on which he performed very well and also delivered on time.

Ishimwe Jules Pacis has a number of strengths I'd like to share. He has exceptional technical skills. Good Software developer, Graphic Design, System analyzer. Ishimwe Jules Pacis is also a very fast learner, very adaptive in any situation, and also good team worker, who deliver what is assigned to him on time and also, he is a hard work.

In conclusion, I would highly recommend Ishimwe Jules Pacis. If his performance in my project is any indication of how he'd perform in the available position, Ishimwe Jules Pacis will be an extremely positive addition to any organization. If you need any additional information, feel free to contact me at +250 789713973 / +235 96100346 or by email at [iyaturemyeclaude@gmail.com](mailto:iyaturemyeclaude@gmail.com) anytime also you can visit **Umuhuza.rw project** web here <https://www.umuhuza.rw>.

Sincerely,

Iyaturemye Claude

## TO WHOM IT MAY CONCERN

This is to certify that Mr. Ishimwe Jules Pacis, computer science student in ULK university college of science and technology, successfully completed six months (From 18th November, 2018 to 30th May, 2019) long internship at MTN Switch center in the department of networking.

His internship activity includes familiarizations and interaction to different softwares used in networking. He had majorly involved in the project of network modernization and transformation plan aimed at ensuring seamless data quality and delivering the best customer experience across the country.

During the period of his internship program with us, Ishimwe Jules Pacis worked on various softwares (Netflow analyzer, Atera, MmanageEngine OpManage, Glasswire, WebSitePulse, Network Configuration Manager, Zabbix, Pager Duty....) and successfully met the objectives that were set at the beginning of the project. Pacis shows a lot of promise and skill in his work during this period.

We wish him every success in his life and career.

**Mohammad Kiwan****Chief Technology and  
Information Officer**
